April 27, 2020

Dear Zion Presbyterian Church family members,

By the grace of God, from last Lord's Day, some our members decided to volunteer to help the live worship system, so the worship service on the last Lord's Day went smoothly. So, we really thank God, and those who prayed together for this need as well as those who expressed their decision to help the worship, not to mention those who served in the system on that day. Even though all of our church members are in difficult situation, please look around our members together and pray for the health of the elderly members and for God's comfort and peace upon Deacon Chang's family as well as Deacon Seo's family.

❖ **As we prepare the 18th Lord's Day 2020, a couple of things basic and developed follow.**

1. Meeting with Pastor Lee & His Status

- a. For anyone who wants meeting, counseling, prayer time with pastor Lee, please tell him via telephone call or when pastor calls you as his telephone visitation (tell #: 267-934-9452). He will keep social distancing during the meeting and prayer time together designated after the appointment call.
- b. Pastor Lee's family is planning to move the Maryland between June and July. Please pray for this moving without any difficulties related to COVID-19.

2. Zion Church will do worship online for this Lord's Days (5/3) @ 10 a.m.

- a. In this difficult time, we want you to continue to enjoy God's grace as well as your status as God's children through the worship service.
- b. **For those who come to the church to help the worship service, please certainly wear face mask and take off it during service. Also please certainly keep social distance before and after worship service.**
- c. We can be in worship www.thezion.org, on YouTube, and Kakao Talk link. If you have any trouble to connect to live worship, please type "thezion MD" in the search menu of YouTube, then you are able to reconnect to the worship.

3. Since the last Lord's Day (4/26), the Bible Study for Elementary Group as well as Youth Group has been led by Deacon and Deaconess Hagan via Zoom from 11:30 a.m. Please pray for this wonderful time and cooperate anything related.

4. Although we are passing through this confused and difficult time, we trust in God who is sovereign over history and our lives. **With this faith, please pray God with the prayer request written on the flipside of the bulletin.**
5. **Please do not have any burden on offerings,** rather do offering with thankful and peaceful heart as God allows. The offering will be possible on Saturdays 2~4p.m. and Lord's Days 1~3p.m. at the church, or via three other ways that you already knew.
6. **The Food Stamp matter mentioned on the last week was resolved. But, if you have any problem with it, please inform the session (pastor Lee: 267-934-9452/ elder Min: 443-722-3070), so that the session can help.**

In Jesus Christ,
