Dear Zion Presbyterian Church family members,

**By the grace of God, from the last Lord's Day(5/17), the internet on which our YouTube worship broadcasts has been faster and safer than before so that we may have no problem on it.** Thank you for your prayer and for the one who helped set it up. In addition, as I mentioned a little bit in the last Lord's Day sermon, based on God's great work, **Zion can cordially share the grace of God with our members who are going through these times of difficulties.** All glory to God!

**The session set up the blue print of church building reopening** and finished the preparation to walk together with the guidance of Maryland Government. Therefore, when God allows us to open our physical sanctuary so that we can do hybrid worship in both online and offline, we would proceed not in a hurry but with order, safety, and arrangement. **The more detailed specific guideline will be set up in cooperation with worship team and swiftly announced to our members.**

Although we are passing through this confused and difficult time due to COVID-19, we trust in God who is sovereign over this situation. With this faith, please pray God with the prayer requests written on the bulletin and also for our children (elementary and youth) to stay stable even though they don't have pastors who should take care of them.

❖ **As we prepare the 21<sup>st</sup> Lord's Day 2020, a couple of things basic and developed follow.**

**1. Meeting with Pastor Lee & His Status**

- a. **So far, pastor Lee have continually met church members and had prayer time together.** So, for anyone who wants meeting, counseling, prayer time with him, *please tell him* via telephone call or when pastor does his telephone visitation (tell #: 267-934-9452).
- b. **Pastor Lee's family is planning to move to the Maryland in July.** Please pray for this moving without any difficulties related to COVID-19.

**2. Zion Church will do the 10<sup>th</sup> online worship for this Lord's Days (5/24) @ 10 a.m.**

- a. **Please continue to stand firm where you worship our heavenly God.**
- b. *Wearing Face Mask & Social Distancing*  
As an etiquette, from now on for a certain period of time, Zion Church will do.
- c. We can be in worship [www.thezion.org](http://www.thezion.org), on YouTube, and Kakao Talk link as usual.

**3. Bible Study sessions have been continued via Google Meet and Zoom. Please pray for the leaders of the sessions as well as the students who attend the sessions.**

- a. Elementary and Youth groups are under care of Deacon and Deaconess Hagan from 11:30 a.m.
- b. Young Adult group is under care of minister David Ryu from 11:00 a.m.

**4. About the offering, please understand and partake in it by referring to the previous letters.**

In Jesus Christ,

Zion Presbyterian Church Session
