June 23, 2020

Dear Zion Presbyterian Church family members,

We pray that God, who gave us Word for evaluating our existence and identity on the sermon on the last Lord's Day, would continue to care us so that we can realize the upright and cheerful Christian life which is begun with our new and perfect identity as "God's children" and "Jesus' disciples", which is graciously given by God in Christ.

The good news to be shared with you is that Mrs. Jungja Kim (Deacon Charles Spencer's wife) has been getting better and Deaconess Soonae Ahn has been getting better. We asked you to continue to pray for them as well as other medically ill church members. In addition, as I announced, with a-couple-of-week preparation, the video camera for broadcasting has been upgraded. We give thanks to the one who spent his energy and effort for the upgrade work and ask you to pray for the quality broadcasting to be possible and used for the glory of God. Also, **'Zion Summer School 2020(Online)'** would be strongly prepared and effectively proceeded by God's guidance and control although the situation is very tight.

The church cleaning by cell groups is to be resumed as usual from this Lord's Day (June 28th). Once again, we ask your understanding and cooperation on this decision. At the same time we ask you to pray for the well-organized and safe reopening of Zion. **In continuity, as we go through this difficult period of time, we are to remind that this is the time to encourage our next generation(children) to attend the regular meetings on Google Meet and Zoom for their healthy relationship with God as well as we are to pray for them and the meetings together.**

❖ The Church Building Reopened and Online Worship

1. **By God's grace, the worship in the church building (onsite worship) and the worship at home (online worship) have been healthily and peacefully proceeded.** We give thanks to God who leads us continually. Please continue to pray that our multi-space worship, where we worship our heavenly Father, would be used for delivering God's alive grace to our Zion members so that we all are able to be full of God's encouraging and hopeful Word.
2. **As usual, please check your health condition,** if you feel fever or chills, have cough, have underlying medical condition, then please worship God at your home for the safety of the whole Zion members.
