Dear Zion Presbyterian Church family members,

Through the last sermon on 7/12, God, our Father, led us to clearly know that we, His children, should run our spiritual race with the certain aim, Jesus Christ as we pursue achievement. So, based on that, we are able to be apart from the wrong aim or wandering, which produce frustration and emptiness. But, praying that due to our weakness, when we can run with the wrong aim or be tired of our aimless run, we are supposed to remember and rely on Jesus Christ who would be like “the eternal Giving Tree” and embrace us with comfort and encouragement so that we can continue to run with the certain aim, and run the spiritual race of His children.
