Dear Zion Presbyterian Church family members,

Through the last sermon on 7/26(the 41st anniversary thanksgiving worship), God, our Father, led us to clearly know the direction toward which Zion should walk. We could confirm that when our spirit and body are plentiful by God's grace, we are supposed to live for the kingdom of God and His glory. Even though we are in difficult situation due to COVID-19, we, the people of God, are supposed to pursue the Christian life that we Zion family should take, by relying on Jesus Christ day by day who has been united with us by the Holy Spirit, provides the power needed for today's life, and only can change our worldview dyed with secular values.
