Dear Zion Presbyterian Church family members,

The number of the infected by COVID-19 is over 40 million and the death toll due to COVID-19 is heading for 1.2 million. We are very used to COVID-19 but, the danger is not faded away. In this situation, how much is it hard for you, as the member of Zion Presbyterian Church, to live everyday keen life by relying on Jesus Christ through prayer? In the difficult situation where God seems silent, we pray that all of Zion family members would be able to consider and stand firm on checking, corroborating, and confirming the greatness of Father God who has been keeping and guiding our steps by being with us in the same silence!
